our **economic impact**

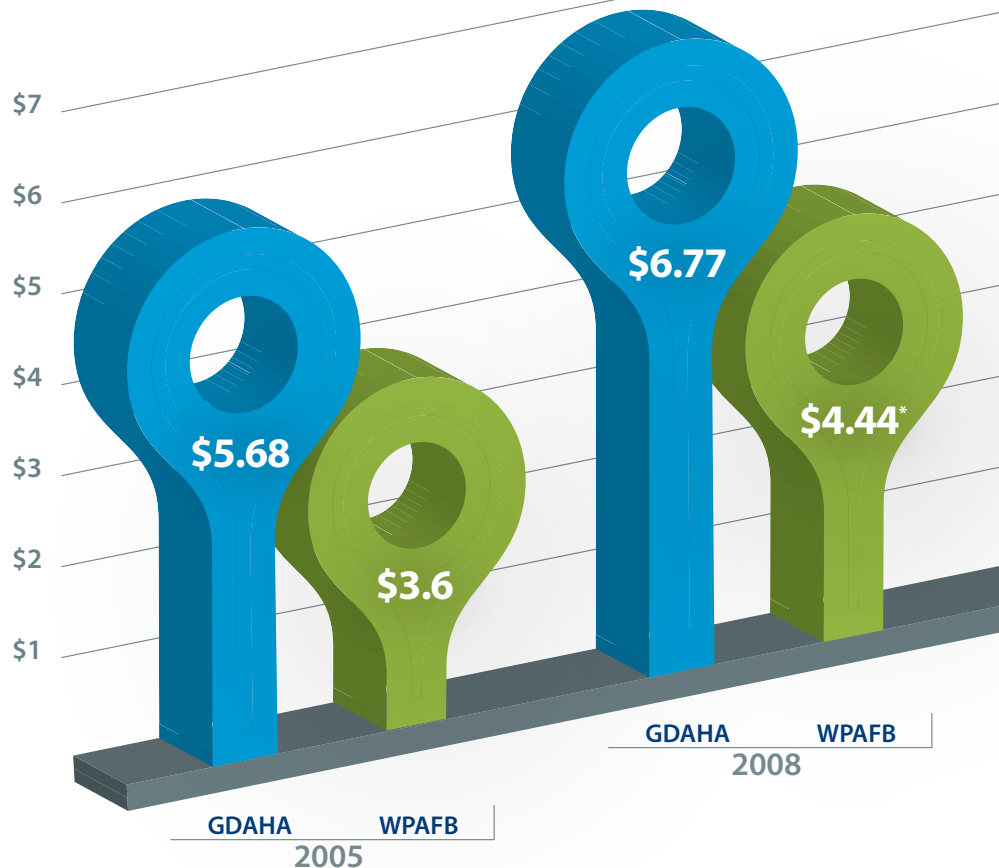

Fact: The hospital industry's total economic impact in the Dayton region **is greater than** the economic impact of Wright-Patterson Air Force Base.

TOTAL ECONOMIC IMPACT

The region's hospitals continue to have a significant impact on the local economy.

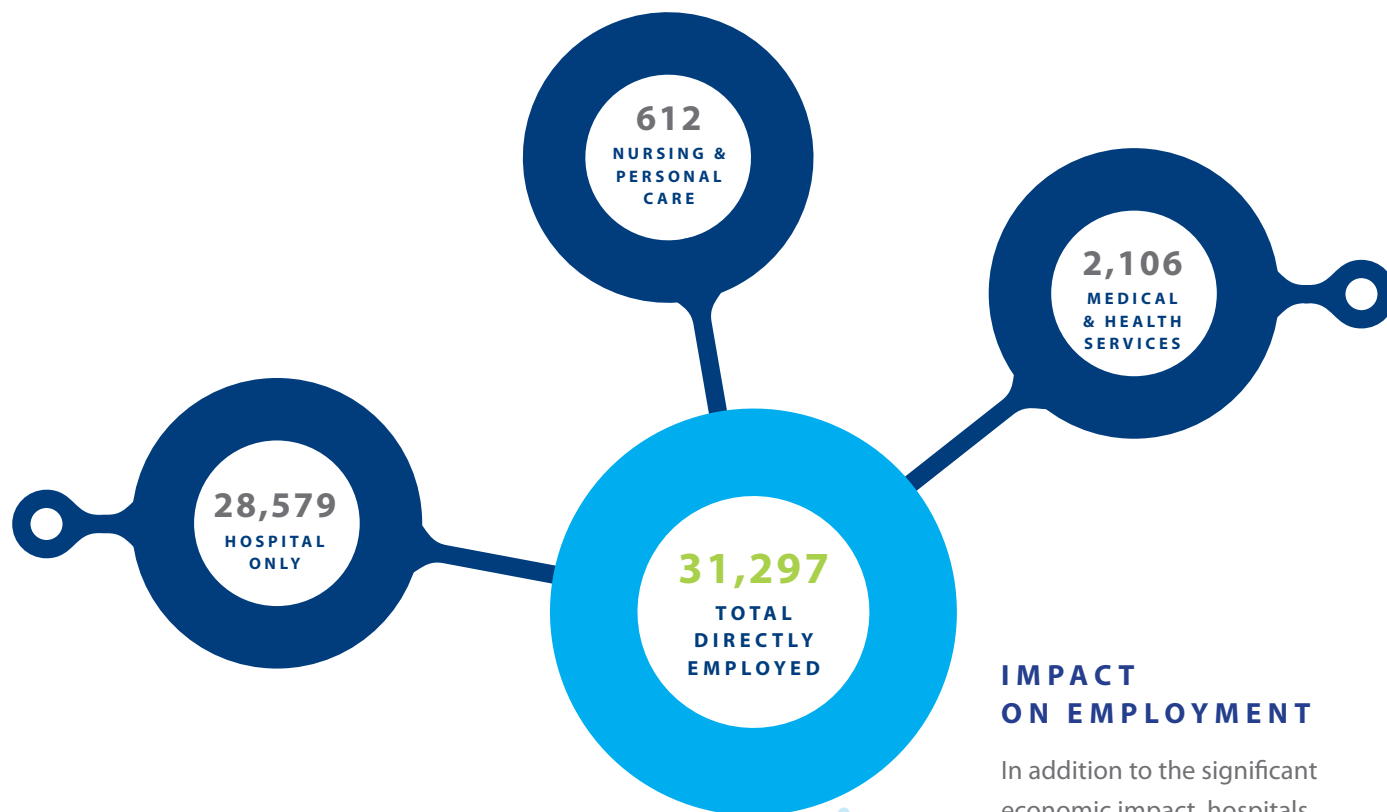

Hospitals in the 11 county region surrounding Dayton, Ohio provided a \$6.77 billion economic impact in 2008, which represents a \$556 million increase in the hospital industry's economic impact from 2005.

IN BILLIONS OF DOLLARS:

* Economic Impact Analysis, Wright-Patterson Air Force Base, 2008

our employment impact

IMPACT ON EMPLOYMENT

In addition to the significant economic impact, hospitals in the Dayton region directly employ 31,297 individuals in the hospital environment, nursing and personal care facilities, and medical and health services facilities. In comparison with 2005, direct hospital employment was 3.7 percent higher in 2008.

The total employment impact of the region's hospitals provided 63,139 jobs in our communities, which include direct, indirect, and capital investments, representing a 14 percent increase from 2005 to 2008.

EMPLOYMENT IMPACT

	TYPE OF IMPACT			TOTAL
	Hospital Only	Nursing & Personal Care	Medical & Health Services
